1. Introduction

1.1. SP Electricity North West (SP ENW) is required, by Condition 17 of its licence, to provide a Metering Point Administration Service (MPAS).

1.2. The charges listed in this statement have been constructed in a way which reflects the requirements of Standard Condition 18 of our Distribution Licence.

1.3. All prices quoted in this document exclude VAT.

2. Charges for Metering Point Administration Services

2.1. A report will be produced on a monthly basis advising the Supplier of those MPANs for which they are registered as the Supplier where the registration requires to be completed.

2.2. MPAS charges are recovered in our Use of System Charges. The additional MPAS activities, as stated in Schedule 1, are charged on a transactional basis, on request.
