

Letter of Authority

Guidance Notes

Where you are acting as an agent of the customer, we will require a letter of authority as evidence that the landowner or customer has provided permission for you to submit the application for a connection.

The letter should clearly provide the following information from the landowner:

- Full address (must be a company letter head)
- Full Name
- Contact Number
- Statement of agreement with connection application
- Signature
- Date of signature

The letter should also include the following details from the company making the application:

- Full Company Name
- Company Registration Number
- Full Registered office address
- Main point of contact – Full name
- Main point of contact – Phone number

A downloadable template for a letter of authority is available for you on the next page.
