Interim Management Report (continued)

Going concern

When considering whether to continue to adopt the going concern basis in preparing these condensed financial statements, the Directors have taken into account a number of factors, including the financial position of the Company and the Group in which it operates.

The Company is ultimately a subsidiary of NWEN (Jersey); the key trading subsidiary in the Group is ENWL.

In consideration of this, the Directors of the Company are cognisant of the going concern disclosure in the Half Year Condensed Consolidated Financial Statements of ENWL. Disclosure of the considerations made by the Directors in terms of the ENWL cash flows, liquidity position, borrowing facilities and covenant compliance can be found in the ENWL Half Year Condensed Consolidated Financial Statements available on the website, www.enwl.co.uk.

The Board has given detailed consideration to the principal risks and uncertainties affecting the Group and Company, as referred to above, and all other factors which could impact on the Group and the Company's ability to remain a going concern.

After making the appropriate enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the Half Year Condensed Financial Statements.

The going concern basis has been adopted by the Directors, with consideration of the guidance published by the Financial Reporting Council.

Notes to the Condensed Financial Statements

1. General Information

NWEN Finance plc is a company incorporated in the United Kingdom, and registered in England and Wales, under the Companies Act 2006.

The financial information for the six-month period ended 30 September 2022, and similarly the period ended 30 September 2021, has not been audited or reviewed by the auditor. The financial information for the year ended 31 March 2022 has been based on information in the audited financial statements for that year.

The financial information for the year ended 31 March 2022 does not constitute the statutory financial statements for that year (as defined in s434 of the Companies Act 2006), but is derived from those financial statements. Statutory financial statements for 31 March 2022 have been delivered to the Registrar of Companies. The auditor reported on those financial statements: their report was unqualified, did not draw attention to any matters by way of emphasis and did not contain a statement under s498(2) or s498(3) of the Companies Act 2006.

2. Significant accounting policies

Basis of preparation

The Company has adopted Financial Reporting Standard 101 '*Reduced Disclosure Framework*' (FRS 101) on the basis that it meets the definition of a qualifying entity under FRS 100 '*Application of Financial Reporting Requirements*'. The Annual Report and Financial Statements have, therefore, been prepared in accordance with FRS 101, as issued by the Financial Reporting Council. The Half Year Condensed Financial Statements of the Company, have been prepared in accordance with FRS 104 '*Interim Financial Reporting*'.

As permitted by FRS 101 and FRS 104, for all periods presented, the Company has taken advantage of the disclosure exemptions available under the standards in relation to financial instruments, capital management, presentation of cash flow statement, standards not yet effective and related party transactions with other wholly-owned members of the Group.

The results for the period ended 30 September 2022 have been prepared using the same method of computation and the same accounting policies set out in the Annual Report and Financial Statements of NWEN Finance plc for the year ended 31 March 2022.

The Directors do not believe that the Company is affected by seasonal factors which would have a material effect on the performance of the Company when comparing the interim results to those expected to be achieved in the second half of the year.

These condensed financial statements are prepared on the going concern basis. Further detail on the going concern assessment is contained in the Interim Management Report.

These condensed financial statements are presented in sterling, the functional currency of the Company. All values are stated in thousand pounds (£'000) unless otherwise indicated.

Notes to the Condensed Financial Statements (continued)

Going concern

The directors have, at the time of approving the financial statements, a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis of accounting in preparing the financial statements.

Changes in accounting policy

There are no new accounting policies or Standards adopted for the six-month period ended 30 September 2022, nor expected for the remainder of the year to 31 March 2023, that have a significant impact on the Company.

3. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies the directors are required to make judgements (other than those involving estimations) that have a significant impact on the amounts recognised, and to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; or in the period of the revision and future periods if the revision affects both current and future periods.

The Directors do not deem there to be any critical accounting judgements or key sources of estimation uncertainty that affect the Company.
